CUSTOMER JOUNERY MAP

1. Basic details

Date	28 October 2026
Team ID	en25el3010067
Project Name	Electric Vehicle Market Analysis Using Tableau
Maximum Marks	2 Marks

2. Customer Journey Map — fill each row

The template has three stages. Use these headings in the Stage 1, Stage 2, and Stage 3 columns.

Row	Stage 1: Explore the Market	Stage 2: Analyze EV Performance	Stage 3: Make Decisions
Actions	Opens the dashboard and reviews sales by category.	Compares driving ranges and studies sales trends.	Identifies promising EV categories and plans product strategies.
Touchpoint	Sales by Category visualization.	Average Range by Category and Sales Trend Over Time visualizations.	Interactive Tableau dashboard and its filters, if configured.
Customer Thought	“Which EV categories have the highest sales?”	“Which categories offer better range, and how are sales changing?”	“Which categories should we prioritize?”
Customer Feeling	Curious but unsure where to begin.	More informed but still evaluating the options.	More confident when the dashboard provides clear comparisons.
Process Ownership	Market Strategy Director	Market Strategy Director	Market Strategy Director
Opportunities	Make category labels and sales comparisons clear.	Improve readability of range charts and sales trends.	Provide useful filters and clear, evidence-based insights.
